SUMMER QUARTER CARING GROUPS

SOME CARING GROUP PARTICIPANT COMMENTS:

"What I like about my Caring Group is an encounter with the Holy Spirit. When I pray I get really happy. That's what I like about my Caring Group. It's just really nice to be there, just nice to know that God is with me." Ruben Alvarez

"The week before last the group really ministered to me and I had a breakthrough for healing. The group started prophesying over me. I really like the friendships and relationship intimacy that draws me to God. I love it when the Holy Spirit takes over."

Jack Boje

"I love my Caring Group because God is always there." Dan Bartell

"I like revelation from God. People are filled with the Holy Spirit and have things to say to me. God uses other people to speak to me and I really like that." Art Hedberg

"My Caring Group is very good and I learn a lot. The presence of God is there every single time." Judy Hockin

"I like the level of teaching because it is very practical and useful in your life. When you seek the Lord you always get way more than you expect. When you seek Him you are always blessed. You also get know people in the church at a whole new level. We see breakthroughs when we pray for each other." Linda Leavitt

WE ARE ALL INVITED! FOR A LIST OF SUMMER QUARTER CARING GROUP OPPORTUNITIES

PLEASE PICK UP A YELLOW BROCHURE FROM THE INFORMATION TABLE IN THE LOBBY
